## PUBLIC NOTICE

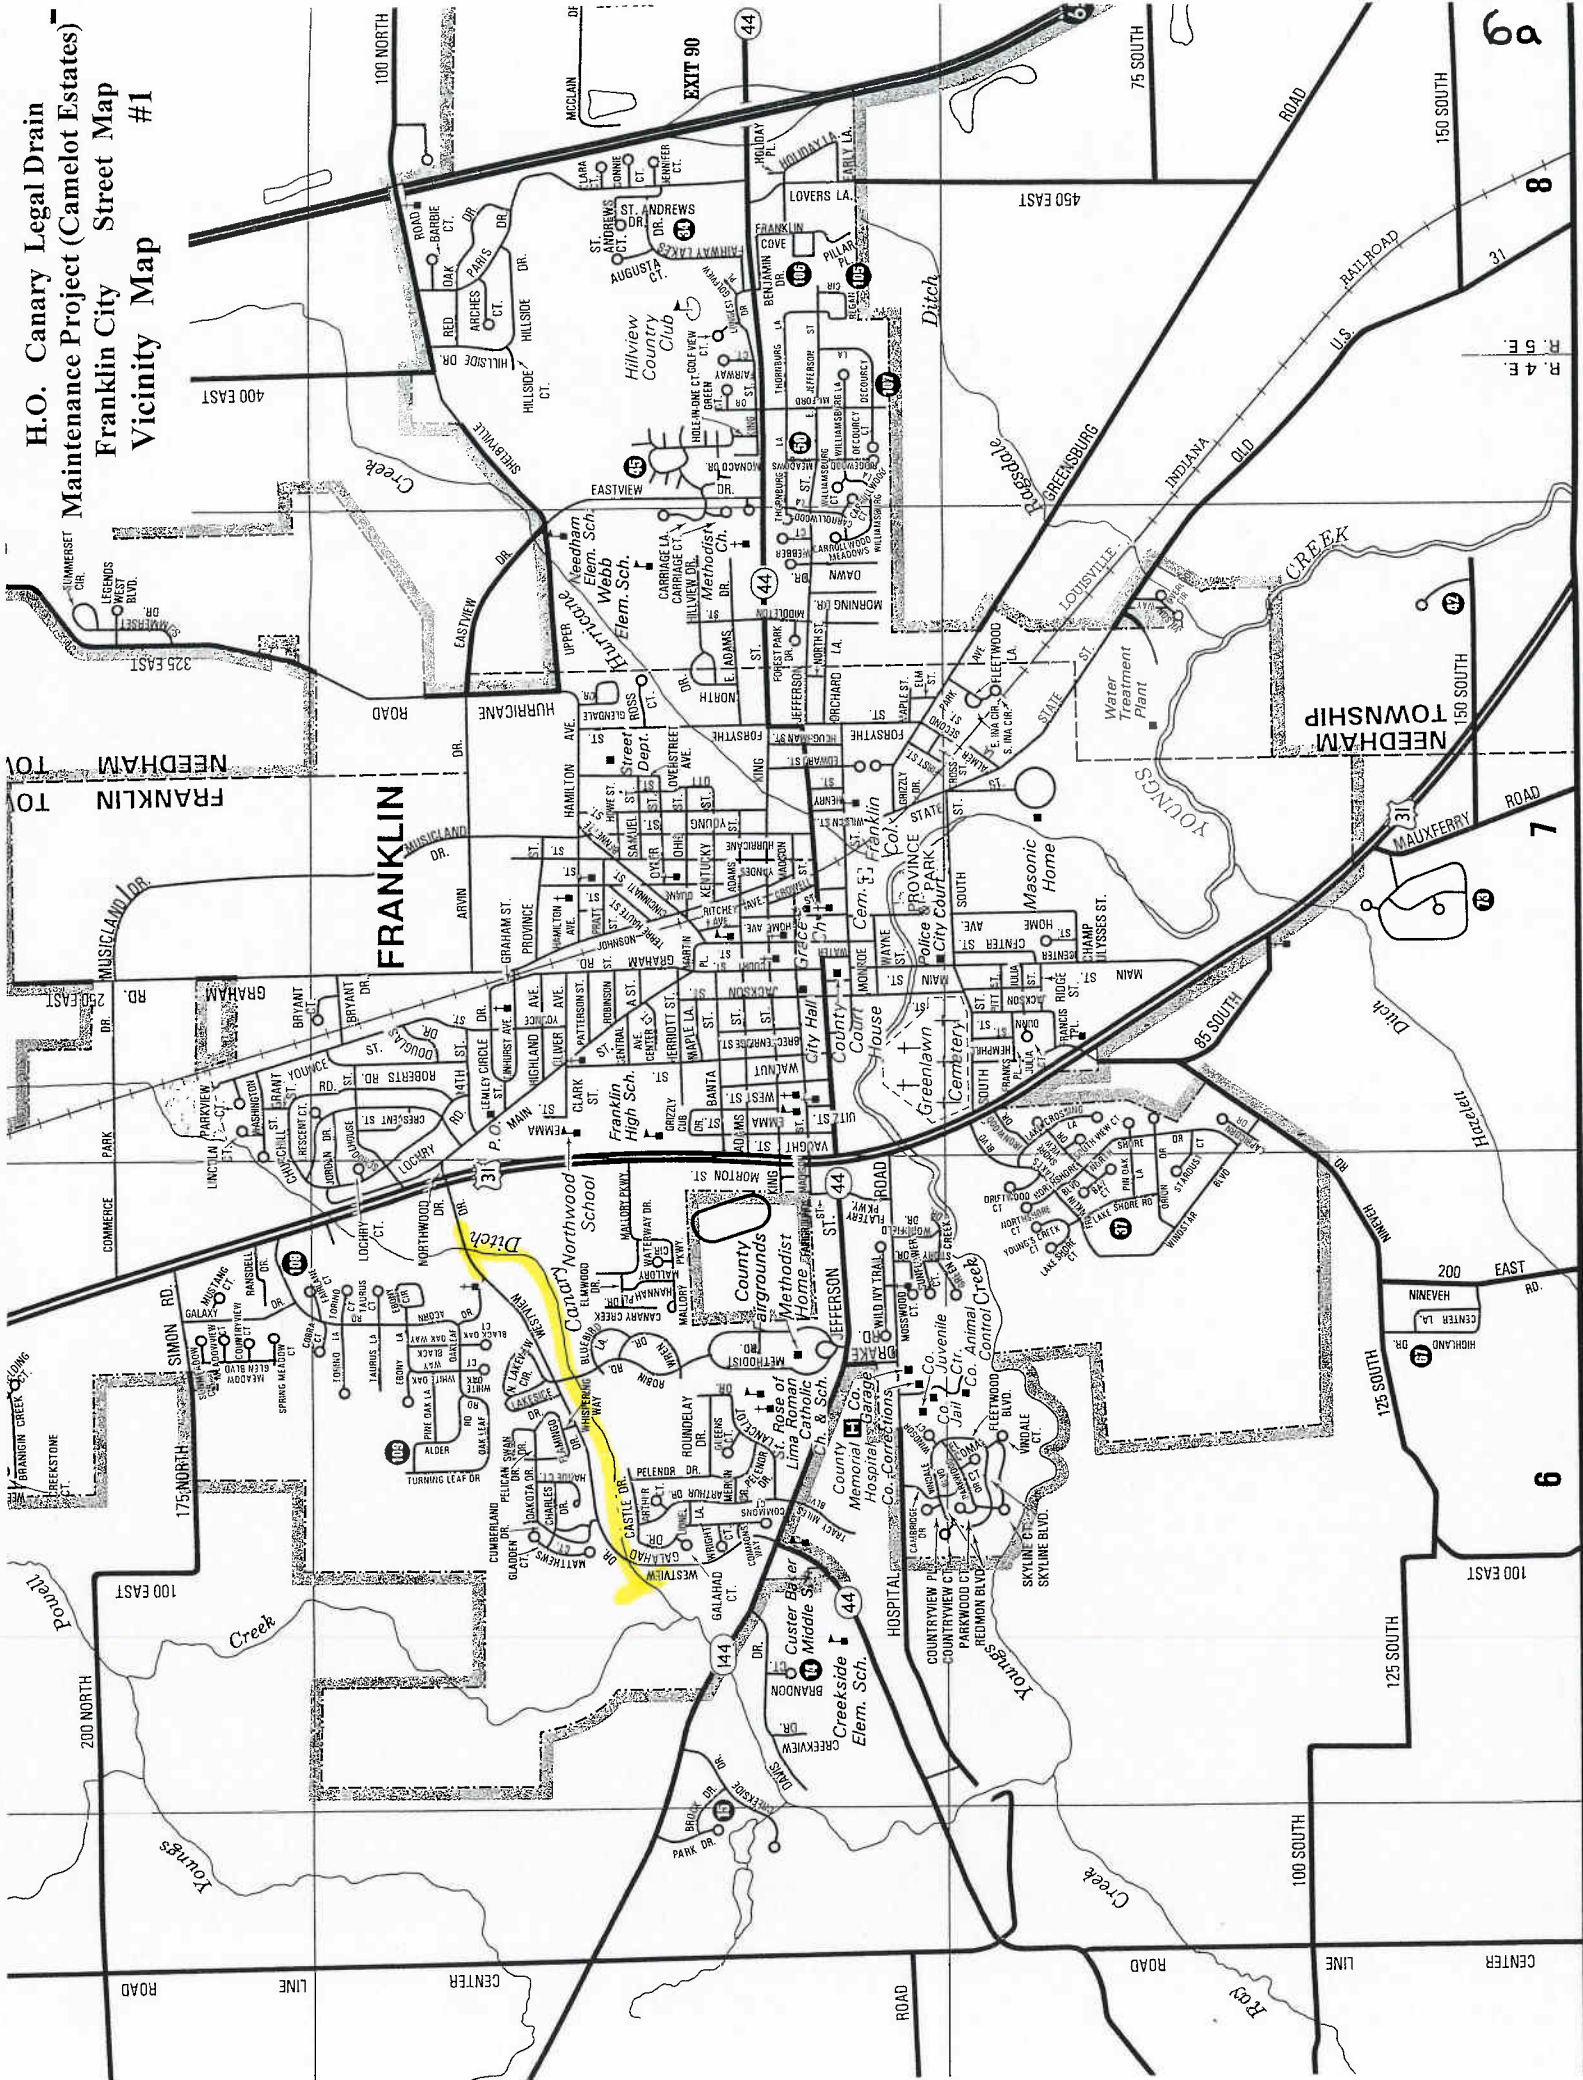

**To all interested parties:**

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 1. Applicant:** Mr. Doug Lechner  
Johnson County Surveyor's Office  
86 West Court Street  
Franklin, IN 46131
- 2. Agent:**
- 3. Project location:** Section 15, Township 12 North, Range 4 East, Franklin USGS Quad  
The project is located approximately 1,000 feet west of the intersection of US 31 and Westview Drive.
- 4. Affected waterbody:** Canary Legal Drain
- 5. Project Description:** The applicant proposes to implement a regulated drain maintenance project on approximately 5,800 linear feet of Canary Legal Drain. The proposed project includes the removal of accumulated sediments, excavation of the drain to profile grade, and bank stabilization. The applicant proposes to discharge 0.222 cubic yards per running foot of riprap below the ordinary high water mark (OHWM), along 4,900 linear feet. The applicant proposes no compensatory mitigation for the proposed impacts and the site will be stabilized with grasses upon completion. Please visit the following link for additional information: <http://www.in.gov/idem/5474.htm>
- Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.
- Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.
- Questions?** Additional information may be obtained from Mr. David Carr, Project Manager, at 317-234-6350. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
